Education

LBS College of Engineering Kasaragod, India

Bachelor of Technology in Computer Science and Engineering

Expected 2027

CGPA: 8.53

Currently in third year of undergraduate studies

Projects

Euphoria — Web Application

- Developed a comprehensive web application to help students manage stress and enhance productivity
- Integrated mini-games, notepad, to-do list, study timer, and breathing exercises
- Implemented motivational quotes system for psychological support

Leviathan - The AI Assistant — Artificial Intelligence

- Built an AI-powered virtual assistant with speech recognition and voice response
- Implemented text-based command execution system
- Designed NLP pipeline for accurate speech-to-text conversion

Coffee & Beans — Mobile Application

- Created a campus canteen management system enabling pre-ordering and pickup slot selection
- Reduced waiting times through optimized order scheduling
- Designed user-friendly interface for efficient meal ordering

Study Material Exchange Platform — Collaborative Platform

- Developed a collaborative platform for students to share and access academic resources
- Implemented resource categorization and search functionality

Data Analysis Projects — Machine Learning & Analytics

- Sea Level Predictor: Built predictive model using historical data
- Rainfall Predictor: Developed forecasting system using meteorological patterns
- Demographic Data Analyzer: Created analytics tool for demographic trends

StemPlayer — AI + Audio Processing

- Karaoke recording system with stem control
- AI-based scoring for performance evaluation
- Stem extraction from uploaded audio files

Leadership & Experience

Campus Lead – TinkerHub LBS College of Engineering Kasaragod Present

- Leading technical community initiatives and organizing workshops
- Coordinating events and fostering collaboration among student developers

Women in Tech Lead – TinkerHub LBS College of Engineering Kasaragod Present

- Promoting diversity and inclusion in technology
- Organizing workshops and networking events for women in engineering

Marking Co-Lead – IEDC LBSCEK Kasaragod 1 Year

- Managed evaluation and assessment processes for innovation projects

Operations Co-Lead – IEDC LBSCEK Kasaragod 1 Year

- Coordinated operational activities for entrepreneurship initiatives

Technical Skills

Programming Languages: Python, C, Java, TypeScript

Web Technologies: HTML, CSS

Developer Tools: VS Code, GitHub, Git
